Equipped for Life™ with ALLPRO Imaging

Dear Valued Customer,

Since 1985, ALLPRO Imaging has provided the healthcare, security and non-destructive testing industries first-rate digital imaging products. Our mission continues to be strong: manufacture high quality imaging devices and software that simplify radiography procedures while providing excellent imagery.

As we progress into 2014, we promise to stand by our mission and bring innovation and variety to all of our customers. We are dedicated to each of our markets and will continue to strive for growth both domestically and internationally. ALLPRO Imaging has always been an innovative thinker, preparing for the changes and regulations occurring in our industries.

Thank you to our entire dealer network, partners, healthcare practitioners and industrial professionals for we could not continue to have success without your dedication and support. Our focus for the future will ensure that each of our customers are "Equipped for Life" as we continue to provide top-quality products and equipment.

Thank you again for all your support.

Regards,

David Chu

Standard Warranty and Returns Policy

All parts and component returns and replacement of equipment under warranty require a Return Materials Authorization (RMA) issued by Tech Service.

Warranty credit will not be applied to product returns that exhibit damage due to shipping, misuse, careless handling or repairs by unauthorized personnel. Credit, or partial credit, will not be issued until product/parts have been received and assessed. Warranty is void if product is installed or serviced by anyone other than authorized ALLPRO Imaging dealer service personnel.

Dealer labor, shipping & handling charges are not covered by this warranty.

ALLPRO Imaging will institute a 25% restocking fee. Spare parts and accessories older than 12 months from invoice date and/or products with a tamper-resistant seal (including electrical products, PSP, barrier envelopes, sheaths, etc.) that have been opened, cannot be returned.

ALLPRO Imaging equipment is warranted to be free from defects in material and workmanship from the date of installation for a period of 12 months.
