Parts Warranty Policy

Should any part prove defective within three months from the date of installation, it will be repaired or replaced, without charge, upon receipt at our factory in Melville, New York, transportation charges prepaid.

Our obligation under this warranty is limited to putting in proper operating condition any part or parts returned to us through the authorized dealer from whom originally purchased and which our examination shall disclose to have been defective.

This warranty does not apply to damage due to misuse or careless handling. ALLPRO Imaging is not liable for indirect or consequential damage or loss of any nature in connection with parts sold by them. No charge for labor or expense is required to repair defective goods or damage occasioned by them will be allowed.

This warranty is in lieu of all other warranties, expressed or implied, and no representative or person is authorized to assume for us any other liability in connection with the sale of parts.

Rebuilt Parts Exchange Policy

Certain parts are available on an "Exchange Basis." Rebuilt "Exchange" parts may be ordered in either of two ways:

1. Advance Replacement

- A) Order the rebuilt part needed.
- B) We ship and invoice at the "Outright Sale Price."
- C) Return the old parts (freight prepaid) to factory.
- D) We issue the credit for difference between "Outright Sale Price" and "Exchange Price."

2. Direct Exchange

- A) Return the old part (freight prepaid) to the factory.
- B) Request that we replace it with a rebuilt part.
- C) We ship the rebuilt part (freight collect).
- D) We invoice at the "Exchange Price."

Returns

If ordered in error, goods may be returned for a credit/refund subject to the following conditions:

1. All returned goods require a Return Authorization (RA) number.
2. Goods must be returned within 30 days of shipment.
3. Goods must be returned undamaged and unused in original containers.
4. Transportation charges to and from the purchaser.
5. A 15% restocking charge is applied toward returned goods.

Return Authorization Policy (RA)

All part and component returns and replacement of equipment under warranty require a Return Authorization (RA) number.

Please follow this procedure:

1. Call Technical Service or Customer Service. The service representative will issue you a RA number after you provide them with the following:
 - Model Number
 - Serial Number of the piece of equipment that needs repair
 - Part number and serial number (when applicable) of the components being returned
2. Record the RA number on the paperwork you are enclosing and on the outside of the shipping container before returning it to ALLPRO Imaging.
3. Only these managers can issue a RA number for equipment:
 - Technical Service Manager
 - Customer Service Manager
 - National Sales Manager
